340 BC

Beginning of the Great Latin War

Till 338 BC

Consuls were patrician Manlius  
and plebeian Decius Mus.

When Decius saw that the wing  
he commanded was giving ground  
he dashed headlong and alone into the  
ranks of the enemy & was slain. But behind  
him Rome's long battle came rolling on the  
Foe " and victory was won.
